Councilwoman Linda Julien and LOUD Love of Urban Design® ACTIVATE the City of Miami Gardens for Miami Art Week to Celebrate the Creatives of our Culture

Miami Gardens, FL - August 28, 2024 - The City of Miami Gardens is set to transform into a vibrant canvas of creativity for the first time in history as Councilwoman Linda Julien partners with LOUD Love of Urban Design® to bring LOUD™ Week to life. This dynamic event will run from December 4th to 8th, 2024, coinciding with Miami Art Week and the 10 Year anniversary of Art of Black Miami, and will showcase the city's rich artistic and cultural heritage.

LOUD™ Week is a celebration of art, fashion, and community, designed to highlight the talents of urban creatives and foster a spirit of artistic collaboration. The event will feature an opening reception, panel discussions, live painting sessions, a fashion show, and an art gallery activation. Attendees can also look forward to an all-white brunch that promises to be a networking haven for artists, business leaders, and art enthusiasts.

Councilwoman Linda Julien, known for her dedication to promoting arts and culture in Miami Gardens, expressed her excitement about the partnership. "LOUD™ Week is not just an event; it's a movement.
